

Back Matter: Shadows

Secret societies, dangerous passions, and untold millions await Justin “Flip” Grey when he arrives at a banking conference for a weekend seminar. Little does he know he is being auditioned for inclusion with *The Lair*, a group of businessmen who influence more than the economy. They hold the President’s ear. And they need to know what Justin is made of.

Enter Dahlia, the world’s most dangerous temptress, who has been assigned to seduce Justin. The choice he is about to make will change the course of his life. Permanently.

Travis W. Inman then does the unexpected, and allows Justin to make both decisions, and creates dual realities for Justin. In the first reality, Justin remains true to his wife, and reaps the benefits of the blessings God has in store for him. Justin and his family begin to change the world in ways they never dreamt possible.

In the alternate reality, Justin become “Flip”, and chooses to fall prey to the seductress, betraying his wife in the process. The consequences of his choice begin to spiral, descending into chaos. Evil begins to manifest in his life, and the disaster it brings is irreversible.

Shadows follows both realities for 10 years and depicts the results of his choices. Truly, one choice a future makes.
